## GOD WILL HEAR YOU

Dr. Vanessa Dantzer Ussery | September 21, 2016

*"Therefore I will look unto the Lord; I will wait for the God of my salvation: my God will hear me."  
Micah 7:7 (KJV)*

Looking to the news, the government, the world and other people usually never delivers us from a dilemma. We must look to the Lord.

I received some very disheartening news this morning. It was added to the list of problems already before me. Life sometimes feels as though we live under a pile of issues/dilemmas and it can feel weighty at times. One would like to think as we age our problem list decreases, not increases. It is imperative we look to the Lord and patiently wait for our God to bring us deliverance. We must open up our mouth and speak from the issues of the heart to the Lord with the confidence that He will hear us.

Time comes to destroy our faith or build our faith. The space between looking to the Lord and waiting for deliverance is time. As time passes, we must not allow our mind to be thwarted by doubt/unbelief. The time it takes for God to respond is not the time He heard us. He hears us immediately when we cry to Him. Some matters are resolved sooner than others. We must not focus on the time frame of the deliverance/solution. As we allow our faith to be lodged in the truth that God hears us, it diffuses the feelings of doubt that He will handle it. Begin today right through to your deliverance on each issue/dilemma believing God hears you.

Time has no influence on God's ears. Time is used to bring about the deliverance as God sees fit. In the meantime, as we look to the Lord and wait for deliverance/resolution, daily remind yourself of this most important fact 'my God hears me'. Speak it audibly into the atmosphere as it will build up your most holy faith in our God that keeps His word and remains our ever present help in the time of trouble.
