IT'S AMAZING, PART 1

Dr. Vanessa Dantzer Ussery | August 12, 2015

*"But God demonstrates His own love toward us, in that while we were still sinners, Christ died for us."
Romans 5:8, NKJV*

Loving people who do not meet our expectations is difficult for us. We would not do much for those who have hurt us or taken advantage of us. If our trust is broken, then we usually decide to keep our distance from an individual to avoid a repeat experience. Daily sinners disrespect the Lord. Lying, cheating, killing, stealing, raping, infidelity, etc it's happening around the clock worldwide. People will use the name of God in connection with profanity to express their anger. These days you can watch TV and see demonstrations of sin in action as entertainment. We exploit sin for pleasure and relaxation daily on TV. We laugh at sin and think it's funny when we see how it is acted out on a sitcom or movie. Our omnipresent God sees all this and knew it would be part of our daily living experience. We should rejoice that God despises sin but loves the sinner.

It's Amazing to me how God, with all He knows about mankind, was willing to show how much He loves us, although many sinners are indifferent about Him even today. It's amazing that for sinners, past, present and future, Christ died to take our place and pay the penalty for sin. No one loves that way but Him. I pray more sinners come to appreciate this Amazing Love and accept Jesus as their Savior and Lord.

Share this amazing love with someone today. We will never be loved like this from anyone else. IT'S AMAZING!
