NEW YEAR THOUGHT

Dr. Vanessa Dantzler Ussery | January 3, 2018

It's 2018!!!! Unbelievable isn't it? It's amazing to see that we are entering into the 18th year of the new millennium. Traditionally, people talk about doing a New Year resolution and it sounds good to do that. It's even better if one is committed to fulfill the resolution that's made.

Consider this:

Fear leads to false conclusions
Trust leads to Truth.
Fear leads to failure
Trust leads to Triumph.

For this year, let's commit to Trusting in the Lord with all of our heart. Let's commit to denouncing fear because Perfect Love casts out fear. We must believe our path is positive when we abide in Truth while on our way to experiencing Triumph!

Many of you have supported Celebrate Change Ministry over the years by sharing how you've been inspired and encouraged by what you read. It has been a pleasure being on the journey with you as we all learn how to Go, Grow and Glow in Change. As we face many changes and challenges in the coming months, I'm certain that our spiritual adventures will be a mixture of joy, laughter, sorrow, success, and more but most of all we will experience spiritual growth and maturity; ultimately cultivating a stronger relationship with God.

So, let's journey together again this year as we all learn more about our Lord and ourselves.

Blessings, Peace and continued Godly Favor in 2018!
