A REASON TO GIVE THANKS

Dr. Vanessa Dantzler Ussery | November 14, 2018

Most of America was looking to vote in their candidate for hope, change and moving forward. The election is done, some are happy and some are very disappointed. Already as the media hits the airwaves it seems we may be facing another season of Nope, not hope. The power struggles between the two parties is about to heat up again. What that means for us as Americans to resolve our financial woes is undetermined.

The only Kingdom that is truly geared for hope, change and moving forward is the Kingdom of God. One can have Hope in God for salvation and eternal life and achieve it. One can change the course of their life from darkness to light by allowing God to change their heart, so they are renewed, restored and refreshed in Jesus Christ. One can really move forward in Christ by 'forgetting those things which are behind and reaching forth unto those things which are

before...' (Philippians 3:13).

Don't fret over what course this country is taking instead follow the scriptures and pray for the leaders of the country. It is not possible for man to provide or produce hope, change and move forward except through compromise, negotiations, backroom deals, and other political maneuvers as it is perceived differently by the various people who seek it. God is the only one who can appropriately provide it within His kingdom through Jesus Christ and it's available to 'whoever believes in Him' (John 3:15). If you desire to embrace hope, change and moving forward our Leader, Jesus Christ stands undefeated and sits on an eternal Throne to oversee that these results are manifested in one's life. He secured this for everyone who believes the gospel. There will never be a vote, a campaign or a debate to validate that He qualifies for the position as Commander in Chief of heaven and earth. Jesus paid the price with His life and conquered sin, hell and the grave at His resurrection so we can have everlasting Hope, a real Change of heart, and can Move Forward into everlasting Life when born again of the water and the Spirit. If you haven't chosen to elect Jesus as your Lord, Savior, Redeemer and King you're missing out on the only real opportunity for hope, change and moving forward.

You want a reason to Give Thanks this Thanksgiving Holiday? Give Thanks to God for Jesus Christ who offers us all Everlasting Hope beyond this world, a Change of heart toward God, and the privilege of Moving Forward into Everlasting Life!
