BECOMING ONE

Dr. Vanessa Dantzler Ussery | April 4, 2018

There's God, There's You, There's Me.
Instead of one, There's three.

Lord help us understand,
What being one demands
Can you listen with your heart, man?
Can you receive his plan, ma'am?

Submit one to another?
That's for another brother!
Submit to him as his wife?
Maybe in another life!

Does one mean I become a clone?
To take commands and hail his throne?
When will she follow and not lead?
What will it hurt her to concede?

It's time for His Spirit to intercede
And put an end to these selfish deeds.
To become one, you both must learn
That change is something each must yearn.

No one can hold on to their way
You both must change every day.
There will be times you must reform
And other times you must conform

So ultimately you both transform Into becoming one...
