## **BLESSED ARE THOSE WHO HUNGER AND THIRST FOR RIGHTEOUSNESS**

*Excerpt from My Be Attitude, p 97. Dr. Vanessa Dantzler Ussery, Author*

“Another part of righteousness is integrity, not on a human level, but God’s level of integrity (virtue). It’s a state of being that’s above the standard people set. It’s a standard of wholesomeness that God endorses or a purity of life. It is living our life in a standard that compliments the divine nature of Christ. Then there’s correctness of thinking. There’s no correct thinking outside of the thinking of the mind of Jesus. Jesus is the one and only one who can reveal what God thinks because that’s who He is. He’s never confused; He reveals correct feelings and correct actions to us.

When you look at that, thinking, feelings, and actions and put those three together, you’re talking about the most sacred part of your being. It determines the worth of your character. It’s developing the proper character of being within you and not doing it where you endorse it or people endorse it, but God endorses it. People can endorse a lot of things but that doesn’t make it right.”

Always hunger and thirst for truth. His word is truth, Jesus is the truth and He is the righteousness of God. You will never be disappointed when we follow what the Word says. He promised you shall be filled.
