DELIVERED, I'VE BEEN SET FREE!

Dr. Vanessa Dantzler Ussery | March 28, 2018

It's almost Resurrection Sunday; a great time of celebration as we remember the work of Jesus Christ at Calvary. It's a true story that we should never get tired of hearing and sharing year round. The fact that our Lord loves humankind so much that He was willing to take our place at the cross is astonishing. When I look at me and see the impact that sin has had on my life and all others I marvel that we are so valuable to our Holy God. Like it or not all flesh is subject to sin and it is a privilege and an honor to have accepted the Lord as a sacrifice for my sin and know that the blood of Jesus Christ covers our sin. Being a born again Christian means one is delivered – set FREE!

The grace of God is extended to us by the sacrifice of Jesus' life instead of our life being given to cover our sin. When I ponder on the goodness of God that leads to repentance it leaves me speechless. I can see why the angels are baffled as to why God cares so much about people, especially since so many do not return love to Him for the love He's given. It is sad that many people do not believe in God at all, and therefore live in sin and bondage. When I consider that the flesh still leans toward sin and sometimes we yield to that leaning, my mind is blown that Christ's blood still atones for our sin when we confess and forsake that sin. Again, it speaks to being Delivered and Set Free!!!

I am thrilled, excited and overflowing with appreciation and thanksgiving to the Lord for what He's done for me. It is something we should not take lightly or take for granted. Thank you, Jesus because You have delivered us and set us free. One day we will spend eternity with you in the place you have prepared for us.

Again, I shout aloud, **Delivered ---I've Been Set Free!!!** If you have accepted Christ as your Savior and know this is true, then join me in this declaration.
