GOD FULFILLS HIS PROMISE

Dr. Vanessa Dantzer Ussery | February 3, 2016

*"Not a word failed of any good thing which the Lord had spoken to the house of Israel. All came to pass."
Joshua 21:45, NKJV*

There are promises God has made to us and we read about them in the word. For example, one of the most powerful promises I cherish is He will never leave or forsake me. I can say with full conviction that is true. There have been times when I mentally left God because I thought life was too overwhelming. In those moments of time He would always manifest His presence to confirm He was right there.

I would like to consider believing in a promise God has given you personally even though it still has not come to pass. There is a specific unfulfilled promise in my life that I'm waiting to see come to full term.

While waiting I find the enemy will toy with my mind from time to time and I have doubted if it will really happen. Then my loving Savior sends a word of encouragement through a phone call from someone to encourage me at the right time.

At one period the doubt was so great I settled in my mind not to expect the promise as if that would make things more tolerable. I decided if it doesn't happen it's alright. Then I realized I was operating outside of faith to do that. I repented of my thought and told the Lord I would no longer doubt what He says but wait on the promise. Now I am waiting and preparing myself to live in that promise. God is too great to fail and I must believe all will come to pass. I recommend you join me in this changed approach as we wait on God to fulfill His promise in our life.
