### **My Be Attitude: Who Be You? "It's Time to Be Taught"**

"What are you going to do with the fact that He is here to save you NOW! What are you going to do with the fact that He gave His life because He knew you had a dysfunctional mom and dad? He knew you were going to come from the 'hood. He knew you were going to be exposed to some bad things. He knew you would be molested. He knew you would go through hell and back. He knew that life was going to throw you around the corner and then send you into space somewhere, but HE intercepted all of that hell and now wants to bless you. Do you want to receive the blessing?"

God is talking to your heart. God is saying listen; I'm taking the excuses out of your mouth. I'm removing all the things you say are a hindrance and I want to replace them with the facts you've overlooked. Yes, I know all these things. I'm fully aware of it. But now with Me in your life through the Holy Ghost, I'll enhance your abilities and expand your intellect, and give you My wisdom, understanding and power to develop the "be attitude" you are destined to possess.

Yes, it's time for change. It's time for everyone to believe the decision of God through the word that the old man has passed away. Behold I'm made new..."
