THE GOSPEL MUST BE TOLD (PART 2)

Dr. Vanessa Dantzer Ussery | November 9, 2016

Newspapers are not the most popular forum for spreading the news today as it was years ago via home delivery. It appears the most popular format for getting news out and about to all people is through the internet and television when we want to make certain the majority of the world is informed.

God has ordained various forums for spreading the news of Jesus Christ to the world as well. One of those forums is preaching/teaching of the Word at church services on Sunday and during the week. However, there is a 7-day a week approach He put in place. It is telling the gospel through each of us who are the Disciples of Christ. As we live our lives according to the Word of God, we demonstrate the saving power of God when He provided salvation to the world through Jesus Christ. Matthew 5:14 (Amplified Version) says, "You are the light of the world. A city that is set on a hill cannot be hid." We are displayed by God

to the world so there is a living relevant example of the gospel before the world's eyes every day, seven days a week, 365 days a year and 366 on Leap Year. Our lives tell the story of the gospel by our words and deeds. We show the world through our testimony of deliverance that Jesus changes people and has the power to transform them from sinners to saints.

"Even so let your light shine before men: that they may see your good works, and glorify your Father which is in heaven," Matthew 5:16 (Amplified Version). The greatest way they glorify the Father when they see us tell the gospel through our lifestyle is giving their life to God. Kingdom building is on the top of God's list. We become great builders of the kingdom of God as we live a godly life before men (light shining) so others may be saved.

The gospel can be told by YOU!
