WHERE DO WE GO FROM HERE?

Surrounded By Change, Surrounded By Uncertainty, Surrounded By Unknowns...

Hebrews 13:8 (The Message) "For Jesus doesn't change—yesterday, today, tomorrow, he's always totally Himself."

Many of us are wondering what we should do as we watch our world change before our eyes. Changes are happening over night. There really isn't much we can view as constant or even consistent. Well, we can be safe saying we will consistently be experiencing change in our world. The economy is changing, the job market is changing, and technology is changing. It becomes very difficult for many of us to make decisions in life because one isn't sure how viable the decision will be in the midst of so much uncertainty.

So where do we go from here?

As Christians we are required today even more than yesterdays to see the value of treasuring the wisdom of Proverb 3:6 (The Message) "Listen for God's voice in everything you do, everywhere you go, he's the one who will keep you on track." We can hear the voice of God through Jesus Christ who is not subject to this changing world and has the power through His Spirit to keep us on track if we listen to Him.

Where am I going from here? I am daily reminding myself that I need the wisdom of God to direct my steps. This is the only way to maintain a sense of calm while surrounded by chaos. This is the only way to remain confident in the midst of change. My confidence rests in knowing that Jesus can see what I can't, He knows what I don't know and therefore can lead me where I need to be and in that I can be certain even in the midst of change.
