

WILL IT BE DOOR #1 OR DOOR #2?

Dr. Vanessa Dantzler Ussery | February 17, 2016

Staying connected to God for some is a challenge. The attraction to things of the world lures many away from their commitment to maintaining a relationship with the Lord. This is just a simple reminder to encourage all to hold to God's unchanging hand.

There is a TV game show wherein the contestant is asked to choose between door #1 or door #2. The moderator describes the contents behind the doors and the contestant chooses the one most appealing, but must be able to declare its value to win the prizes. That's fine for entertainment. In real life, we also have two doors from which to choose daily and at the end of our life how we choose determines the outcome of our eternal destiny because of the value of what you choose.

Door #1

Contains: Excitement, fun, great eye appeal, feels good, thrilling ride, adrenaline rush, and pleasures of sin for a season.

Value of package: Eternal death

Door #2

Contains: Amazing, awesome, blessings, in His presence is joy, at His

right hand pleasures forever more Value of package: Eternal life

It's evident which package to choose when presented like this. So, when the tests come today, tomorrow or in the next few minutes, think about the value of the package before you accept the contents.

By nature, we tend to be attracted to Door #1 because it appeals to our flesh. But, don't let the contents fool you! Instead, remember that Jesus says He is the door, the way and the truth. This means that we should always choose Door #2!

Residing in Los Angeles, CA, Dr. Vanessa Dantzler Ussery is the Emeritus Pastor of Home Assembly Church in Los Angeles, is the founder of "Celebrate Change Ministries" and the author of "My Be Attitude: Who Be You?", which is available online in softcover or eBook at MyBeAttitude.org, Xulon Press, Amazon and Barnes & Noble. Dr. Ussery is available for national speaking engagements, empowerment seminars, and lectures. For more information, CelebrateChange.org | 110-436-6336 x216.
